Tipping Point Wines	ON TAP			
	Varietal	160ml	250ml	500ml
Tipping Point wines is a project between Al Brown and Constellation Brands created over the past year. From the outset this was about making a range of wines that celebrates all of the things that are close to my heart - our regions, our land, bringing people we love together for a bite of something delicious to eat and doing a bit of good in the process. Each one of the six varietals supports a different environmental charity organisation that is working hard to create a better future for New Zealand.	Pinot Noir	19	28	56
