<u>Tipping Point Wines</u>	<u>ON TAP</u>		
Tipping Point wines is a project between Al Brown and Constellation Brands created over the past year. From the outset this was about making a range of wines that celebrates all of the things that are close to my heart - our regions, our land, bringing people we love together for a bite of something delicious to eat and doing a bit of good in the process.	Varietal	160ml	250ml   500ml
	Pinot Noir	17	26   52
	Rosé	15	24   44
Each one of the six varietals supports a different environmental charity organisation that is working hard to create a better future for New Zealand.	Chardonnay	15	24   44
